Stewart Title of California, Inc.

# Partial Fee Schedule for Title Insurance

# **Residential Rates**

Effective July 22, 2024

# Explanation of Partial Fee Schedule Terms - Residential Rates

# **Amount of Insurance**

Total amount of the sales transaction rounded to the next highest dollar.

## **Residential Rate**

The Residential Rate is the title insurance rate that is applicable to those transactions covering residential one-to-four-unit properties.

# **Applicable Rate**

Depending on the property type, title insurance fees will be calculated by applying either the Residential Rate or the Basic Rate (as defined herein). For example, the title insurance fees for a sale or loan transaction covering a residential one-to-four-unit property would be determined by applying the Residential Rate; the title insurance fees for a sale or loan transaction covering a 10-unit apartment building or a shopping center would be determined by applying the Basic Rate. Therefore, the rate applied, which will be determined by the property type that is the subject of the transaction, is the Applicable Rate, unless otherwise provided for in the Stewart Title Guaranty Company filed Schedule of Charges and Forms for Title Insurance in the State of California (rate manual).

# CLTA/ALTA® Homeowner's Policy Rate

The rate for a CLTA/ALTA Homeowner's Policy, which is an expanded coverage policy available to individuals (including their trusts) of residential one-to-four-unit properties is 110% of the Residential Rate.

### Western Regional Exceptions (WREs)

WREs are California generic exceptions for standard coverage related to taxes, easements, liens, or encumbrances, mining claims, patent reservations or exceptions, water rights, mineral rights, mechanics' liens and matters that would be identified in an inspection or a survey. See full definition of WREs in the Explanation of Partial Fee Schedule Terms – Basic Rates section.

# ALTA Residential Refinance Rate

The Refinance Rate is the title insurance rate that is applicable to policies covering a new loan for the purpose of the refinance of existing secured debt when an ALTA Loan Policy (without Western Regional Exceptions) is issued.

### **ALTA Residential Concurrent Loan Rate**

This rate applies when an ALTA Loan Policy (without Western Regional Exceptions) is issued concurrently with an ALTA Owner's (with Western Regional Exceptions), a CLTA Owner's, a Homeowner's or an ALTA Owner's (without Western Regional Exceptions) Insurance policy in a sales transaction for the full value of the land and improvements. The Concurrent Loan Rate is based upon the Section 11.6 chart available in the rate manual.

### Stewart Title Absolute Rate (S.T.A.R.)

The S.T.A.R. is the fee charged for a lender's policy of title insurance on improved one-to-four-unit residential property for loan transactions refinancing existing debt. To advertise a single combined title and escrow rate, the S.T.A.R. may also be used in conjunction with a properly filed escrow rate filed by a policy issuing agent of Stewart Title Guaranty Company.

# The S.T.A.R. applies only when all of the following conditions are met:

- 1. The order is opened electronically;
- 2. The preliminary report is delivered electronically;
- 3. The preliminary report may use generic exceptions for such matters as Covenants Conditions & Restrictions and Easements of record or may reflect the actual filed exceptions of record (e.g. book and page) when contemplating the issuance of any loan policy product, i.e., an ALTA Short Form Residential Loan Policy, a CLTA Standard Coverage Loan Policy, an ALTA Loan Policy (with Western Regional Exceptions), or an ALTA Loan Policy (without Western Regional Exceptions) also known as the ALTA Extended Loan Policy; and
- 4. The policy is delivered electronically.

For more specific or additional information regarding available policies or coverage, please contact the Stewart Title of California office nearest you.

## TILA-RESPA Integrated Disclosure Information

- TRID Lender's Title Premium = The TRID Lender's Title Premium is the Full Loan Rate Premium Amount as if no simultaneous issue discount applies. CALCULATION: The Residential Rate Section 11.2 Chart using the actual loan amount.
- 2. TRID Calculated Owner's Title Premium =
  The TRID Calculated Owner's Title Premium
  is the additional/incremental amount
  that is paid for Owner's insurance when
  a concurrent loan policy is purchased.
  CALCULATION: The Actual Owner's Premium
  PLUS the Actual Simultaneous Lender's
  Premium MINUS the TRID Disclosure
  Lender's Premium at the Full Loan Amount.
- 3. Title Premium Adjustment = A Title Premium Adjustment is necessary when the Seller pays all or a portion of the Owner's Title Insurance Premium. The Title Premium Adjustment is required to correct the difference between actual premiums charged and the required TRID amounts. CALCULATION: The Actual Lender's Title Premium MINUS the TRID Lender's Title Premium.

# For transactions over \$4,000,000

Residential Rate	Add \$3.15 per \$5,000 over \$4,000,000
CLTA/EXTENDED Homeowner's Policy Rate	110% of the Residential Rate
Residential Concurrent Loan Rate	Add \$2.00 per \$5,000 over \$4,000,000
Stewart Title Absolute Rate (S.T.A.R.)	Please contact your title officer.

Stewart Title of California, Inc.

# Partial Fee Schedule for Title Insurance

# **Basic Rates**

(For properties other than residential one-to-four units including commercial and industrial properties)

Effective July 22, 2024

# **Explanation of Partial Fee Schedule Terms - Basic Rates**

## Amount of Insurance

Total amount of the sales transaction rounded to the next highest dollar.

# **Basic Rate**

The Basic Rate is the title insurance rate applicable to those transactions not covered by the Residential Rate, or other rates, as set forth in the Stewart Title Guaranty Company filed Schedule of Charges and Forms for Title Insurance in the State of California (rate manual).

# **Applicable Rate**

Depending on the property type, title insurance fees will be calculated by applying either the Residential Rate or the Basic Rate (as defined herein). For example, the title insurance fees for a sale or loan transaction covering a residential one-to-four-unit property would be determined by applying the Residential Rate: the title insurance fees for a sale or loan transaction covering a 10-unit apartment building or a shopping center would be determined by applying the Basic Rate. Therefore, the rate applied, which will be determined by the property type that is the subject of the transaction, is the Applicable Rate, unless otherwise provided for in the rate manual

# Western Regional Exceptions (WREs)

WREs are California generic exceptions for standard coverage, as follows:

- (a) Taxes or assessments that are not shown as existing liens by the records of any taxing authority that levies taxes or assessments on real property or by the Public Records;
   (b) proceedings by a public agency that may result in taxes or assessments, or notices of such proceedings, whether or not shown by the records of such agency or by the Public Records.
- Any facts, rights, interests, or claims that are not shown by the Public Records at Date of Policy but that could be (a) ascertained by an inspection of the Land, or (b) asserted by persons or parties in possession of the Land.
- 3. Easements, liens or encumbrances, or claims thereof, not shown by the Public Records at Date of Policy.

- 4. Any encroachment, encumbrance, violation, variation, easement, or adverse circumstance affecting the Title that would be disclosed by an accurate and complete land survey of the Land and not shown by the Public Records at Date of Policy.
- 5. (a) Unpatented mining claims; (b) reservations or exceptions in patents or in Acts authorizing the issuance thereof; (c) water rights, claims or title to water, whether or not the matters excepted under (a), (b), or (c) are shown by the Public Records.
- Any lien or right to a lien for services, labor, material or equipment unless such lien is shown by the Public Records at Date of Policy.
- 7. Any claim to (a) ownership of or rights to minerals and similar substances, including but not limited to ores, metals, coal, lignite, oil, gas, uranium, clay, rock, sand, and gravel located in, on, or under the Land or produced from the Land, whether such ownership or rights arise by lease, grant, exception, conveyance, reservation, or otherwise; and (b) any rights, privileges, immunities, rights of way, and easements associated therewith or appurtenant thereto, whether or not the interests or rights excepted in (a) or (b) appear in the Public Records or are shown in Schedule B.

# **ALTA Basic Refinance Rate**

The Refinance Rate is the title insurance rate that is applicable to policies covering a new loan for the purpose of the refinance of existing secured debt when an ALTA Loan Policy (without Western Regional Exceptions) is issued.

# **ALTA Basic Concurrent Loan Rate**

This rate applies when an ALTA Loan Policy (without Western Regional Exceptions) is issued concurrently with an ALTA Owner's (with Western Regional Exceptions) or a CLTA Owner's, or an ALTA Owner's (without Western Regional Exceptions) in a sales transaction for the full value of the land and improvements. The Concurrent Loan Rate is based upon the Section 11.6 chart available in the rate manual.

For more specific or additional information regarding available policies or coverage, please contact the Stewart Title of California office nearest you.
